Thanks. Want DEQ to come to EPA for tomorrow's TCT, or the mountain to come to Mohamed (huh?)?

Jim

I got your message but am tied up on a couple of calls this morning. The LWG hasn't provided anything additional but advised us that they are developing a detailed proposed schedule update that they will be trying to get through their Exec tomorrow morning. They will be contacting us after their meeting (sometime in the afternoon).

We're planning on having a TCT but I am hoping to keep it fairly short as this is a busy week.
